NATIONAL BOARD CERTIFIED TEACHERS

WE ARE SO PROUD OF YOU!

We are proud to recognize three Flowing Wells teachers who have earned National Board Certification: Jillian Powers, 3rd grade teacher at Douglas, Samantha Reynolds, kindergarten teacher at Douglas, and Bridget Montoya, math teacher at FWHS, who is earning this recognition for a second time - first as an elementary teacher and now as a high school math teacher. This amazing accomplishment requires an extraordinary amount of hard work and dedication over an extended period of time. Teachers must exhibit a deep understanding of their students, content knowledge, use of data and assessments, and teaching practice. Only 3% of teachers nationwide are National Board Certified. Way to make FW proud!

FLOWING WELLS 40 UNDER 40

Our very own Ben Collinsworth, preschool teacher at EMELC, has been selected by the Tucson Hispanic Chamber of Commerce as one of 40 outstanding leaders under the age of 40 in the city of Tucson! Ben is a United Way Literacy Champion, an AZK12 Center Teacher Leader, and an AEF Teacher of the Year Top 5 Finalist. Also part of this year's 40 Under 40 class is Paris Chacon, a proud Flowing Wells graduate who owns Affordable Paralegal Solutions, LLC.

Happy Holidays!

*We wish you a happy, safe and healthy winter break,
