CONGRATULATIONS, JEFF MANN

Congratulations to Jeff Mann, World History teacher at Flowing Wells High School, for his recognition as one of the nine finalists for the Amazing Teacher of the Year Award, sponsored by the University of Arizona Online and Arizona Athletics. Jeff is in the running for the first place recognition, which will be announced later this spring. As a finalist, Jeff was featured in a story on KGUN9 and will be recognized in promotional material during University of Arizona men's basketball games. Jeff's video, the link to which is provided below, exquisitely captures his passion for helping students grow and take intellectual risks. We are proud to have Jeff Mann represent Flowing Wells High School and the entire Flowing Wells District!
