

MAKING MOMENTS IN FLOWING WELLS

Have a relaxing, fun, and safe Spring Break!

APRIL 12, 2019

COYOTE REPORT CARD = A+

We are proud to announce that Centennial Elementary School has earned the Arizona Educational Foundation's A+ School of Excellence award! Centennial completed a rigorous application process, followed by a two-day site visit by a committee of educators from around the state. Applicant schools are evaluated in the areas of student focus and support, school culture, active teaching and learning, curriculum, leadership, community and parent involvement and assessment data. Congratulations to the entire Coyote community for being recognized as an outstanding elementary school in Arizona, and for representing the Flowing Wells School District with pride!

SUBSTITUTE PAY RATES TO INCREASE NEXT SCHOOL YEAR

On Tuesday night, the FW Governing Board approved a pay increase for substitute teachers for the 19-20 school year. Effective July 1st, substitute teachers will earn \$100 per day of teaching, with an increase to \$120 per day after 20 teaching assignments. The pay increase keeps Flowing Wells competitive in rates with neighboring districts. We are currently hiring substitute teachers, so continue to spread the word to friends and family who may want to "Come be a sub in F-dub!"

FWHS NEWSIES NOMINATIONS

The Flowing Wells production of Newsies has received several nominations in the Monte Awards including Best Musical, and four students nominated for Best Actor and Best Actress! *The Bottom Line* is that we are proud of all the students, teachers and staff involved in this production and we can't wait to Watch What Happens with the Monte Awards. Congratulations to the FWHS Fine Arts department and the entire cast and crew of Newsies!
