SPAM EMAIL: BE AWARE

Just a reminder that your work email is publically available, and you may have noticed an increase in SPAM marketing emails lately. Some of these emails may look like official District announcements or official District business. However, please remember that we will use the FW Insider to make all District-wide announcements. If you have any questions or concerns about emails you receive, please call the District offices to ask.

MR. JERRY LONG TO RETIRE FROM FW GOVERNING BOARD

After 20 years of dedication and service to the Flowing Wells School District, Jerry Long has announced he will retire from the Governing Board. We appreciate Mr. Long's calm and thoughtful nature, along with his unwavering support of all students and staff in Flowing Wells. Mr. Long will continue in his role as Clerk of the Board through December 31, 2018. We are not saying goodbye yet, but we give our heartfelt thanks and wish Mr. Long the very best in his last semester on the Governing Board.

BENEFIT ME

Have you moved over the summer? If so, please change your address in Employee Self Service (ESS). It is extremely important to have your correct address. By making the change in ESS you ensure that your address gets updated with our benefit providers.

KidsCare is back! Arizona offers health insurance through KidsCare for eligible children (under age 19) who are not eligible for other AHCCCS health insurance. It never hurts to find out if your children qualify, as it may be less expensive than the district's insurance. We have put KidsCare information on our Employee Benefits page, or you can call 1-800-377-3536 to speak to someone.

Come show your FW spirit and join the fun at FWHS **tonight** as the Cabs take on CDO in their season opener at home! Kickoff at 7:00pm. See you there!
