

THE FW INSIDER

POWERED BY FLOWING WELLS

PUBLIC SCHOOL WORKS PAST DUE

Thank you to everyone who has completed the annual Public School Works requirement. We appreciate all those who took the time to get it finished by the deadline. If you have not completed your Public School Works training, your homework is late! As a reminder, all employees in the District are required to complete the training, and much of the information shared is required by statute. If you have not completed the training, please do so today. If you have any difficulty logging in or if you have any questions, please contact Danielle Rubio at 8822. Thank you, FW!

POWERTEACHER MOBILE APP

Attention Teachers: The District recently learned that PowerSchool has ended support for the PowerTeacher mobile application, and the app no longer is available in the Apple app store. However, the installed version of PowerTeacher continues to work on desktop and laptop computers. Flowing Wells will maintain the current version of PowerTeacher for the duration of this school year but will transition to PowerTeacher Pro for the 2020-2021 school year, at which time functionality on mobile devices will once again be available. Thank you for your patience during this transition.

FW HOMECOMING IS OCTOBER 11TH

Everyone is invited to join the fun at Homecoming on Friday, October 11th. This year's theme is 80's Arcade! Tailgating will start at 5pm and the annual FW parade will circle the commons area starting at 6pm. Game time is at 7pm when the Cabs will take on Rincon/University. See you there!

FOUR CABALLEROS NAMED NATIONAL HISPANIC MERIT SCHOLARS

Join us in congratulating Flowing Wells High School students Raphael Abeytia, Marcus Chavez, Raul Gonzalez Montoya, and Manuel Coronado who have been named National Hispanic Merit Scholars by The College Board. These academically talented students scored in the top 2.5% of test takers on the PSAT/NMSQT, and each have earned a \$2500 college scholarship! Not only is this a remarkable achievement for these students, but it is the first time that FWHS has had four scholars in the same year. Awesome!

A poster for the Tucson Roadrunners Teacher Appreciation Night. At the top is the Roadrunners logo featuring a cartoon roadrunner. Below it, the text reads 'ROADRUNNERS TEACHER APPRECIATION NIGHT'. To the right, it says 'PRESENTED BY Pima Federal CREDIT UNION'. The date and time are 'FRIDAY, OCTOBER 25 7:05 PM'. A paragraph of text describes the event: 'Celebrate a night of hockey with the Tucson Roadrunners and other teachers in greater Tucson at Teacher Appreciation Night. Teachers receive a Special Buy One Get One Offer! Teachers will be randomly selected for Bench Warmers - Penalty Box & 1st Intermission Zamboni PLUS there will be a Post Game Photo On The Ice for all teachers'. Below this, the ticket prices are listed: 'CENTER ICE SEATS: \$34 (DAY OF GAME \$38)', 'SIDE SEATS: \$29 (DAY OF GAME \$30)', and 'END SEATS: \$18 (DAY OF GAME \$23)'. At the bottom, a small note says 'Offer Valid up to (8) total tickets. Offer not valid at TCC Box Office. Online offer expires on Friday, October 25th at 12:00 noon.' A Roadrunner mascot is shown on the left side of the poster.

VICTORY WORSHIP CENTER LEND A HELPING HAND

Last weekend, hundreds of volunteers from Victory Worship Center tackled school beautification projects at various FW school sites. Improvement projects included pulling weeds, sweeping concrete surfaces, pruning trees, and replacing the ground cover under swing sets. We are grateful to Victory and the volunteers from the Flowing Wells community for caring about our campuses and working hard to make them even more inviting for our students.
