OPEN ENROLLMENT COMING SOON

It's time to review your benefits and consider any changes you may want to make during our annual open enrollment period starting at the end of April. During the open enrollment window, you can choose to enroll in a plan if not already enrolled, change coverage plans, add or delete dependents, and enroll in or make changes to supplemental plans such as short-term disability buy-up. It is a good time to ask yourself: Am I happy with my medical/dental/vision plan? Did I recently get married or divorced? Do I need to add or remove a dependent? Do I have eligible dependents under the age of 26 who need insurance? Have my beneficiaries changed for my life insurance? If you miss this opportunity, you will not be able to make changes until 2020 unless you have a qualifying event. Information on next year's plans will be available soon for you to compare on our Employee Benefits site under Quick Links.

FW IS HIRING TEACHERS AND ROUNDING UP KINDERS

We are currently hiring teachers for the 19-20 school year! If you know anyone who would be a great fit to teach in our district, please tell them to apply today. We are also getting ready for *Kinder Round Up* at each of our elementary schools, and we are accepting open-enrollment students at all grade levels for next school year.
