DISTRICT-WIDE LOCKDOWN DRILL ON JANUARY 31ST

Our next district-wide lockdown drill will take place on Thursday, January 31st. Principals at each site will share more information with students, staff, and parents next week. This lockdown drill will take place during a passing period or lunch and is designed to allow all staff and students to practice how to respond to an emergency during an unstructured time. As part of our practice, all **staff members will receive a practice text message to test our notification system.** At the conclusion of the drill, teachers and students will take a few moments to debrief the activity. Thank you to everyone in advance for helping our students learn how to be prepared and safe!
