### ALLERGY SEASON IS HERE!

Allergy season is here but so is Teladoc. If allergies are interrupting your routine or don't seem to go away, Teledoc's U.S. board-certified doctors are available 24/7 by phone or video to provide relief.

Connect with Teladoc if you or your loved ones are battling these allergy symptoms: runny or stuffy nose, itchy, watery eyes, blotching, itchy skin, sneezing, and coughing.

The most plentiful and irritating airborne allergies outdoors are grass, mold, trees, and weeds. For indoors it's dust mites, pet dander, and rodents.

If you are enrolled in our Blue Cross/Blue Shield medical plan, you have access to Teledoc at no cost to you!
