

MAKING MOMENTS IN FLOWING WELLS

MARCH 15, 2019

TEACHER CONTRACTS ISSUED THIS WEEK

Teacher contracts for the 2019-2020 school year were issued this week. As a reminder, teachers have 15 business days from the day the contract was signed out to return the contract. As in prior years, the state has not yet determined the budget, so final salary increases and Proposition 301 funding amounts will be shown on the contract cover sheet document to be mailed this summer. Please ask your principal if you have any questions about your contract. Professional and Return to Work contracts will be issued in the coming weeks.

SUBSTITUTE TEACHER REQUESTS

As we head into the busy end of the school year, please remember to request substitute teachers with as much notice as possible. With so many activities in the fourth quarter, there is a better chance of finding coverage if you request your substitute early. Amy Collinsworth (8824) is here to help in any way she can, so feel free to call her with questions or concerns.

FWHS CHEER: NATIONAL CHAMPS!

Congratulations to the Flowing Wells High School cheer team who earned 1st place in the Aloha Spirit Championships Cheer Competition in Phoenix last weekend! We are P-R-O-U-D!

BLUE CROSS BLUE SHIELD HEALTHY BLUE

Employees enrolled in our Blue Cross/Blue Shield health plan have access to HealthyBlue Online which provides the following services:

My BluePrint – An online health assessment that provides immediate feedback and results.

Walking Works – A web-based walking program encouraging you to log your walking activity online. Also includes motivational tips.

Online Health Guides – Searchable health information and interactive tools.

Pregnancy Center – An online resource where expectant parents can find answers to common questions about pregnancy and childbirth.

The Hospital Comparison Tool – Helps you compare the quality of hospital care among U.S. hospitals.

Drug Encyclopedia – Offers access to information about prescription drugs and over-the-counter drugs and includes a list of brand and generic alternatives.

Educate and empower yourself to make healthier lifestyle choices and informed decisions— go to azblue.com!

SCIENTIFIC FACT:

FW STUDENTS ARE WINNERS!

Flowing Wells had 13 award winning projects at the Southern Arizona Research, Science, and Engineering Foundation (SARSEF) event this year. Students from Centennial, Homer Davis, Hendricks, Laguna, Richardson, and FWHS won awards in categories including Animal and Plant Sciences, Cellular and Molecular Biology, Engineering, Physics, Environmental Sciences and more. Congratulations to all the teachers who supported these students in completing outstanding science projects!
