READING ADOPTION UNDERWAY

The process to adopt a new elementary reading series is under way. The adoption committee, led by Dr. Reff and Jenny DeFilippis, will make a recommendation to the Governing Board in the spring of 2019, with the goal of implementing the new series in the 2019-2020 school year. Thank you to all committee members for their work on this important decision toward improving engagement and achievement in reading.

FLOWING WELLS SCHOOLS FEATURED ON KINDNESS TOUR

Both EMELC and FWJH were included as stops on this year's Ben's Bells Kindness Bus Tour! Guests included school officials from across the city and Pima County School Superintendent, Dustin Williams, who was extremely impressed with Flowing Wells programs and students. Congratulations to the Teddy Bears and Mustangs for keeping it kind and representing the FW District with pride!

FWHS ORCHESTRA PLAYS WITH CIVIC ORCHESTRA OF TUCSON

FWHS Chamber Orchestra students recently had the unique and special opportunity to perform with the talented musicians of the Civic Orchestra of Tucson. The concert took place in the FWHS auditorium and was conducted by former FW teacher, Charles Bontrager. Our students did a fantastic job working along side these accomplished musicians!

CONGRATULATIONS JROTC RAIDERS STATE CHAMPS

The FWHS Raiders team traveled to Flagstaff for their state competition, and came home state champions! They competed in fitness and strength testing, distance running, land navigation, obstacles, rescue and first aid, and rope bridge construction. The team earned five first place trophies, the traveling trophy, and first place overall. Awesome!

HAVE YOU TRIED TELEDOC YET?

Flu season is here! And for those enrolled in our Blue Cross/Blue Shield medical plan, make sure you have set up your Teledoc account. It only takes a few minutes to enter in your information. If you haven't used your Teledoc membership yet, here are five good reasons you should:

1. Provides 24/7 access to doctors by phone, web, or app.
2. You can speak to a licensed doctor about non-emergency health issues from home, work, or on vacation.
3. Teledoc doctors can diagnose and treat cold and flu symptoms, allergies, upper respiratory infections, skin problems and more!
4. Teledoc doctors can send a prescription to your local pharmacy when medically necessary.
5. Your spouse and/or dependents (up to age 26) are eligible for Teledoc even if they are not enrolled in Blue Cross/Blue Shield.
