

MAKING MOMENTS IN FLOWING WELLS

Do our students know the pathways to great accomplishments?

FLOWING WELLS HIGH SCHOOL HAS THREE NATIONAL HISPANIC MERIT SCHOLARS!

Congratulations to Nathan Miller, J. Caleb Urrea, and Angel Delarosa, all of whom have been named National Hispanic Merit Scholars! Not only is this a remarkable academic achievement for these students, but it is the first time that FWHS has had three scholars in the same year. Awesome!

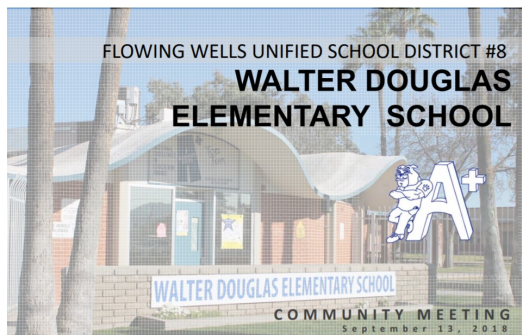

MELANIE DONALDSON HONORED AT GOVERNING BOARD MEETING

Melanie Donaldson was honored at this week's FW Governing Board meeting for receiving the NEA/California Casualty Award for Teaching Excellence. This award recognizes teachers who exemplify excellence in instruction, demonstrate community engagement, and provide leadership in professional development. Melanie will travel to Washington D.C. in February to attend the NEA Foundation's awards event. Congratulations, Melanie!

WALTER DOUGLAS HOLDS COMMUNITY MEETING TO DISCUSS RENOVATION PROJECT

As Walter Douglas prepares to enter the design and construction phase of their renovation, they are inviting public feedback in the process. Last week a community meeting was held to share information and get input from neighbors and community members.

CASAS CHURCH VOLUNTEERS LEND A HELPING HAND

Thank you to [Casas Church](#) and almost 600 volunteers who painted, raked, trimmed trees, pulled weeds, spread gravel, and tackled many other projects last weekend at Walter Douglas Elementary School, Homer Davis Elementary School, Laguna Elementary School, and Flowing Wells Junior High. Our campuses are brighter, more beautiful, and even more inviting for our students because of the help that Casas Church provided our District!
