

THE FW INSIDER

MULTI FACTOR AUTHENTICATION STARTING NEXT WEEK

The District insurance provider, The Trust, is requiring all Flowing Wells email users to use Multi Factor Authentication (MFA) for district email accounts. On the afternoon of Wednesday, May 18th, the Technology Department will be enabling MFA on Office 365 and Google. Once enabled, you will be required to sign in again and enter a cellphone number. When you sign in on any new device, you will be required to input a one-time code that will be texted to you. Entering the code will result in the device being "trusted" and should not require you to enter another code on that device in the future. If you have questions or have difficulty with the MFA requirement next week, please see your site's computer technician, principal, or director.

BENEFIT ME

Today is the last day for benefits open enrollment. It is not too late to get your name into the drawing for a \$15 Amazon gift card. Just email Elaine Kimbler with "no changes" or "I want to make changes." If you have changes, please return to Elaine by the end of today.

Congratulations 22-23 Teachers of the Year!
